- Please embed any photos and outline any text used.
- The red guide is for the bleed. Any art that will reach the edge must be extended to the red bleed line.

Double-sided tape

The diagram shows a horizontal rectangular area with a thin black border. On the left side, there is a vertical grey bar containing the text "Double-sided tape". To the right of this bar, there are two vertical dashed green lines that extend from the top to the bottom of the rectangle. The space between these two lines is empty.
