- PLEASE NOTE: Please call for more details if another decoration method is desired. To Clean: To keep your luggage clean and beautiful for years to come, use a soft sponge or cloth, water or any mild household detergent. Avoid using cleaning products that contain bleach, acetone, ammonia as well as coarse and abrasive sponges that can damage the finish of your hardside case. To Store: Store your luggage in an upright position in a dry location. Avoid storing luggage in extreme temperatures. To conveniently save space, all sizes from this collection nest (fit neatly) inside each other. Just open the largest suitcase and set the smaller size(s)—with the wheels facing the same direction—inside. Close lids and zip the outermost bag closed. When you're not out there exploring the world, we recommend keeping your luggage covered while being stored. Other items from the Ricardo® Malibu Bay 3.0 Collection available!
